

Experienced researcher, recent participant in a successful Center of Research Excellence on Learning in a Networked Society (I-CORE LINKS 2013-2019), is looking to join a consortium in preparation for the call topic - DT-TRANSFORMATIONS-12-2018-2020: Curation of digital assets and advanced digitisation.

PROFILE BRIEF - PROF. DAPHNE RABAN

Prof. Raban is an associate professor at the School of Business Administration, University of Haifa (Israel) and a Summa Cum Laude graduate of the same school.

Prof. Raban has participated in the **EU-FP7-Cooperation-ICT** Grant titled "Exploiting Social Networks for Building the Future Internet of Services" (2010-2013). **IBM, Israel Science Foundation, Israel Foundations Trustees, Ebsco** are among the granting agencies and companies that awarded Prof. Raban with research grants.

In addition to his academic role, Prof. Raban is currently Associate Editor of the European Journal of Information Systems and is serving on several other Editorial Boards of journals.

As a scholar of information science, Prof. Raban is interested in value-added digitization processes which support access to unique information sources in a user-friendly manner, enhancing diverse literacies.

For latest research information, please refer to Prof. Raban's [Google Scholar profile](#).
